Work Experience

Upwork Feb 2026 – Present

Freelance Frontend Developer *Virtual*

- Identified and resolved 10+ browser-specific UI bugs by debugging CSS bugs and improving responsive behaviour across desktop and mobile platforms, increasing user satisfaction
- Developed cleaner and more reusable code by applying DRY principles, which made future updates faster and easier to maintain, reducing time required for feature implementation

Projects

SaaS Dashboard | Source Code | Live Demo | *Tailwind CSS, JavaScript, HTML, CSS* Mar 2026 – Present

- Ensured cross-browser compatibility across Chrome, Firefox, Safari and Edge through manual testing, CSS techniques and cutting unnecessary dependencies
- Developed large UI components into 20+ reusable components to keep components modular and easy to update

Live FX Conversion Tool | Source Code | Live Demo *React, CSS, HTML* Feb 2026 – Present

- Integrated a live exchange rate API to deliver accurate currency conversions achieving a processing speed of under 200 milliseconds verified via Chrome DevTools
- Implemented SEO best practices including semantic HTML and meta tags, achieving a Lighthouse SEO score of 90% across all pages

Real Time Weather Platform | Source Code | Live Demo | *JavaScript, HTML, CSS* Dec 2025 – Present

- Designed a responsive platform that displays live weather conditions across multiple locations, reducing data errors by 90% through Jest unit tests covering API calls and component rendering
- Achieved a Lighthouse accessibility score of of 92% and a performance score of 93% by applying UX best practices including whitespace and responsive layout which improves website visibility

Leadership Experience

Member of the 1st Team Chess Society May 2021 – Sep 2025

- Contributed at first-team level for five years, growing my Elo rating by an average of 90 points across every season through consistent training and self-analysis
- Demonstrated strong discipline by balancing 1+ hours weekly mentoring different teammates with other responsibilities, resulting in the team achieving a 70% win rate

Member of the Media Club Jul 2024 – Sep 2025

- Coordinated and delivered 5+ projects for the school by providing feedback for different team members growing the school's social media engagement by 30%
- Managed sports social media content for the school, scaling average post reach to 1,000+ views through consistent publishing
